Questions/RSVP

- 562-0225
- grbc@grbcsbc.com

Making a difference together is what Green Ridge seeks to accomplish. By supporting these initiatives, you partner with your brothers & sisters in Christ to enhance our opportunities to equip people for the glory of our Lord Jesus Christ.

~

How about you?

~

Will you pray?

Will you give?

Will you join us?

~

*Will you let God touch your heart
and then give as the He directs?*

~

Together . . .

We Make a Difference!

Five Steps to Campaign Success

1. Pray about your gift.
2. RSVP for the banquet; call 562-0225 or e-mail grbc@grbcsbc.com.
3. Attend the banquet.
4. Give at the banquet.

Campaign Summary

Together
We Make a Difference

One Mission

Together, we seek to glorify the Lord Jesus Christ by fulfilling the Great Commission through worship, evangelism, discipleship, ministry, fellowship & prayer.

Top Priorities

ELIMINATE DEBT — \$67,000

As stewards of God's blessings, we must not embark upon new initiatives without a commitment to eliminate the debt remaining on the Worship Center. Many have contributed for years over their tithes to eliminate this debt. Because of their faithfulness, the original note of more than \$500,000 is just \$67,000. Together, we can finish the job and move ahead with initiatives that are needed to enhance our opportunities to invest in people.

REMODEL PRE-K & CHILDREN'S AREAS — \$100,000

The space for children's education has not been renovated since 1972—and it shows! This remodel brings the children's space & equipment into the 21st century & communicates to parents that

we wish to utilize every resource possible in cultivating young hearts and minds for the glory of God. The remodel will include colorful paint and tile, a Biblical, kid-friendly theme, a video projector & screen for "big-group time" and flat panel TV's in the classrooms. The pre-school spaces will undergo similar updates to the walls and floor along with the installation of a vent in the nursery area. This will be a space our children & children's workers enjoy!

ADD SPACE — \$150,000

A custom, stick-built modular building provides swing space during the children's renovation. Some adult classes will move to the youth house to accommodate the children's renovation, and youth will move to the modular building. The youth house will be refurbished for \$10,000. The total cost for the modular is \$140,000 including installation & finishing. The modular is 32' x 60' including: a large room equipped with a projector & screen, a kitchenette, three classrooms, bathrooms, & a shower to be used during disaster-relief efforts. When the children's renovation is complete, we will have additional space for equipping more people.

EXPAND PARKING — \$40,000

More parking is necessary when new people are arriving! We've researched an eco-friendly way to add parking with a plastic underlayment over compressed gravel and filled with dirt & grass seed. The parking is "green," but it will not get muddy or have sinkholes. It is a solid, yet permeable, surface, saving thousands in new drainage systems required for new asphalt parking.

Stretch Priorities

The foregoing priorities total \$357,000. Funding these priorities alone will represent an outstanding investment in the future at Green Ridge. Thus, our **initial goal is \$357,000**. However, if the Lord sees fit to send additional resources, we have remaining opportunities that need our attention. These priorities bring the **stretch goal to \$482,000** and include:

ROOF & CUPOLA — \$75,000

During the installation of the worship-center roof, the venting system was done improperly, & the cupola allows water inside the roof. Also, the roof is aging due to heat buildup, & the entire system needs replacement. We need to resolve these challenges by purchasing: new shingles, a new venting system, a new covering for the cupola, & a new watertight connection between the cupola & roof.

CHURCH PLANT — \$25,000

Green Ridge has reached a point where we can send people out to plant new churches. We hope to set aside money to partially fund a church-planting team. We would do this in connection with the Southern Baptists Conservatives of Virginia.

DIGITAL SIGN — \$25,000

Converting our sign to a digital one will allow for changing the message easily and featuring multiple opportunities & Bible verses each week. God's Word is powerful, & we want to use all means possible to get the Word into the hearts and minds of those in our community.
